November 9

Feast of the Dedication of the Lateran Basilica

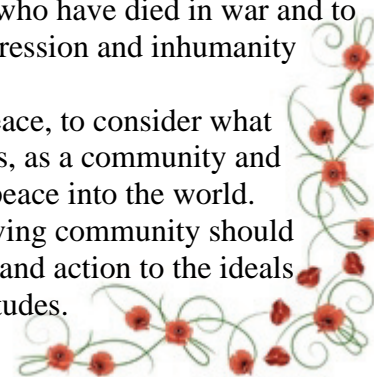

Today's feast celebrates a mystery that is always relevant: God's desire to build a spiritual temple in the world a community that worships him in spirit and truth. But this observance also reminds us of the importance of the material buildings in which the community gathers to celebrate the praises of God. Every community therefore has the duty to take special care of its own sacred buildings, which are a precious religious and historical patrimony. For this we call upon the intercession of Mary Most Holy, that she help us to become, like her, the "house of God", living temple of his love.

Remembrance Day November 11

It is a special day of prayer for Canada. Canadians pause today in silence to remember those who have died in war and to pray for the victims of aggression and inhumanity throughout the world. This is a day to pray for peace, to consider what we are doing as individuals, as a community and as a nation to bring God's peace into the world. This is a day when a believing community should rededicate itself by prayer and action to the ideals Jesus gives us in the Beatitudes.

Gospel Reading

Matthew 23:1-12

Background on the Gospel Reading

Today's Gospel continues to elaborate on the tension between Jesus and the scribes and Pharisees. Our Lectionary sequence at this point, however, is not quite a continuous reading of Matthew. In between last week's reading from Matthew and this week's, we find Jesus' question to the Pharisees about the Messiah being "David's son." Having concluded a series of dialogues with the Pharisees and other religious leaders, Jesus now directs his words to the crowds, warning them not to follow the example of the scribes and Pharisees.

The scribes and Pharisees were teachers of the Mosaic Law. They were entrusted with its interpretation and, thus, were influential in determining Jewish practice. In order to appreciate the conflict that is evident in this passage, we must understand that Jesus was basing his teachings on the same laws and traditions available to the Pharisees. Both were interpreting the Law of Moses in order to better adapt it to contemporary Jewish life. The differences between their teachings, therefore, are often highlighted and amplified by Matthew.

This part of Matthew's Gospel reflects aspects of the conflict between his Christian community and Pharisaic Judaism. Matthew's Church is thought to

have included many Jewish Christians who may not have believed that a break with the synagogue was necessary to be a follower of Jesus. Jesus tells the crowd that it is correct to do and observe what the scribes and Pharisees teach; it is their example that is to be avoided, namely, their love of being honored and exalted. Hence, the Gospel reflects the tension of an active internal debate within the early Church.

Jesus references two aspects of Jewish spiritual life prescribed by the Law of Moses. *Phylacteries* are small boxes which contain Scripture verses that are placed on the left forearm and forehead. *Tassels* refer to the fringes worn on the corners of a person's garments; the tassels help to remind those who wear them to keep the commandments.

The warning Jesus gives against seeking places of honor in the community was directed as much toward the Christian community as the named Jewish leaders. Indeed, it is a warning that resonates with us today. Christian leadership is a call to service for the glory of God; those who would be leaders among us must, like Jesus, be servants of all. *Loyola Press*

Securities as a Charitable Gift Option

A gift of securities (stocks, bonds, mutual funds) is still one of the most financially sound ways to support the Archdiocese of Toronto. When you donate stocks, mutual funds and other publicly traded securities to a registered charity, you pay no capital gains tax and receive a tax receipt for the full amount of the gift. It means a great tax break for you and more significant support of your Parish and various archdiocesan charities such as ShareLife, St. Augustine's Seminary, The Shepherds' Trust and many others. To donate securities, follow this link:

<https://www.archtoronto.org/en/offices-and-inistries/social-justice--outreach/development-and-sharelife/home/gifts-of-securities/> to download the How to Gift Securities Info Sheet and the Letter of Direction. To ensure you will receive a 2023 tax receipt, kindly submit a completed Letter of Direction to us no later than on December 21, 2023, either via email to development@archtoronto.org or by fax at 416-934-3412.
