ShareLife

Living the Gospel by supporting frontline workers. Day in and day out, frontline workers have been working tirelessly during the pandemic. While they are there for us, who is there for them? Catholic Family Services agencies have served countless people who are on the front lines during the pandemic, providing counselling and support. Your gift to ShareLife is helping them cope with the stress and anxiety of being exposed to illness.

October 31 is the next ShareLife Sunday. Please give generously during the special collection at sharelife.org
