We've all felt the pain of disconnection since the start of the pandemic. For the Deaf community, the connections severed by the pandemic are even more profound. Silent Voice is working to restore those connections. This ShareLife-funded agency is the only one in the area providing virtual programming for Deaf children, among its many services in American Sign Language. October 31 is the final ShareLife Sunday of 2021. Please give anytime at sharelife.org.
